2017 season!**

The PA Ball Hawks Softball 10U, 12U, 14U, 16U, and 18U teams are made up of girls from the local area that are growing into tomorrow's leaders by learning to be confident, disciplined, and work as part of a team while becoming **GREAT** softball players. Sponsor Our Tournament Teams

Our season begins with several fall tournaments (September – November), practices held at Backyard University (our exclusive indoor training facility; January – February), and then tournament and league play resume for the spring/summer (March – end of July).

We are a 501c3 non-profit organization. Our EIN is 26-1514747 for your tax-deductible contribution.

To make this a successful season, our softball club needs your financial support!

Your donation will help to fund:

- Tournament entry fees
- Softball equipment for training/practices
- Team apparel for the girls
- Practice field rental fees

Your business will receive:

- Game day T-shirt (Silver, Gold, and Platinum sponsors only) with the Ball Hawks logo on the front and a list of all sponsors on the back. These T-shirts will also be worn to tournament games by parents and fans.
